

Seminari didattici Advanced Building Envelope Components Engineering 2024/2025

07-03-25

Ing. Cristina Franceschini
Ing. Caterina Cotardo
HYDRO BUILDING SYSTEMS ITALY SPA

Design with Aluminum Windows and Façade Systems
Visita didattica showroom Milano

14-03-25

Ing. Ali El-Sayed-Sleiman-Hachem
Dott. Lorenzo D'Arcaria
HILTI ITALIA SPA

Fixing Systems for façades
Overview of internships and job opportunities

21-03-25

Ing. Paolo Giussani
Politecnico di Milano

FEM (Finite Element Method) Calculation and Modelling of
Thermal Transmittance of Building envelope systems
(windows and curtain walls)

11-04-25

Ing. Samuele Sassi
FSC ENGINEERING
Fire modeling and façade

09-05-25

Ing. Grazia Marrone
MANNI SIPRE SPA

Ventilated Façade Systems: new materials and innovation

16-05-25

Ing. Daniel Menis
ADERMA LOCATELLI GROUP SRL

Permanent access systems for maintenance and cleaning of
building envelope
Rain Screen Systems

23-05-25

Ing. Chiara Tosi
Ing. Simone Starnini
Ing. Camilla Rigamonti
SFE ITALY

Presentation of Society of Facade Engineering
